

## Rescue Me

Rogue Traders

Since you've gone  
I just can't get to sleep  
Lying awake lying awake  
Lying awake  
all alone.

Do you know I care  
If you saw me you would know  
Do you know  
I care about you still ? please?

Rescue me  
Tonight I am calling  
Dangerously I might  
Keep on falling.

So you win  
My life is upside down  
Love me again  
Love me again  
Love me again  
forever.

Feel you love inside of me  
Common sense has made me see  
That you are the only one  
In this world to show me love.
