

# To Be Someone

Rogue Traders

Don't be scared - cos' your time has come,  
It's your turn just to be someone.

Just to be someone, to be someone...

(Just to be someone, to be some)

Shining lights overcome,  
All I want is to be someone.  
Don't be scared cos' your time has come,  
It's your turn just to be someone.

Just to be someone, to be some, just to be someone, to be some.  
..

See the way it shimmers when it's right,  
Hope to catch a moment of your life,  
All I ever wanted to be -  
Just to be someone, to be someone...

Shining lights overcome,  
All I want is to be someone.  
Don't be scared cos' your time has come,  
It's your turn just to be someone.

(Just to be someone, to be some, just to be someone, to be some  
...)

Just to be someone, to be some, just to be someone, to be some.  
..
