

Curious talk at the Fotomat  
Do you really think that you're all that?

With your head down  
You're ten to one

We don't need to read or write  
Only breaking down  
Maybe half of the time

What you couldn't fit  
Ten to one  
For me

What are you offering?  
What are you offering?  
What are you offering?

Free my mind

With your head down  
You're ten to one
