Permalight

Rogue Wave

It is wrong
It is wrong
It is wrong
It is wrong
To turn yourself off tonight
When we're still young

Turn the light
On tonight
Permalight
Say good night
Turn the light
On tonight
Permalight
Say good night

Reform
No reform
Reborn
From life to death
We are reborn
Fueled by some unwritten line
We steal the sun

Turn the light
On tonight
Permalight
Say good night
Turn the light
On tonight
Permalight
Say good night

Good night
Good night
Good night
Good night
Say good night

Turn the light
On tonight
Permalight
Say good night
Turn the light
On tonight
Permalight
Say good night

Good night
Good night
Good night
Good night
Say good night
