I'm a trusting soul, I?m ashamed of living dangerously
And I'm a headstrong girl, I?m afraid I won't be told
I feel my destiny is only 'round the corner
Sugar daddy promised me I?ll be sitting on top of the world

It's all my naked ambitions said
I would leave them wanting more
That could be crazy wishing
We could ever have it all, have it all, have it all

We'll make a movie, we'll break into cinema You'll be director and I?ll be your movie star We'll make a movie, the darlings of cinema You'll be director and I?ll be your movie star, oh, oh

So he's a headstrong guy and perhaps I shouldn't listen There's a million girls wanna be in my position If he tells me lies I?ll suspend my disbelieving I leave it all behind, I ain't asking for permission

Feels like a new beginning
And there's so much to explore
It's not so crazy thinking
We could really have it all, have it all

We'll make a movie, we'll break into cinema You'll be director and I?ll be your movie star We'll make a movie, the darlings of cinema You'll be director and I?ll be your movie star, oh, oh

Movie star, movie star Movie star
