Bang, bang ! Could a body close the mind out Stitch a seam across the eye If you can be good, you'll live forever If you're bad, you'll die when you die Hearing only one true note On the one and only sound Unzip my body Take my heart out 'Cause I need a beat to give this tune Taking a picture of Taking a picture of Taking a picture of Oh the body swayed to music Oh the lightning glance If I would give it all and all Maybe you would hear me Ask for half a chance Hearing only one root note Planted firmly in the ground Undo my heart, unzip my body and Lend to my ear a clear and a deafening sound Unzip my heart And if I need a rhythm It'll be to my heart I listen If it don't get me too far wrong And if I And if I And if I need a rhythm It's gonna be to my heart I listen If it don't take me too far gone Everybody smile please Nobody pay no mind to me Finger in position on the switch A little flash photography Taking a picture of you Taking a picture of Taking a picture of me Taking a picture Ramalama Bang Bang Flash Bang Big Bang Bing Bong, Ding Dong Dum dum d' dum dum

And if I need a rhythm Gonna be to my heart I listen

And if I need a rhythm Gonna be to my heart I listen

And if I need a rhythm Gonna be to my heart I listen

And if I
And if I
Need a rhythm
Need a rhythm
Need a rhythm
And if I
And if I need a rhythm
