

# Crazy Crazy Mama

Roky Erickson

Crazy crazy mama she drive me insane  
Crazy crazy mama mount the rain  
Crazy crazy mama she drive me insane

I'm crazy about my mama I'm in love with you  
Crazy crazy mama don't know what to do  
Crazy crazy mama le me be your crazy daddy too

Crazy crazy mama I'm crazy about my mama  
Cannot see any other I'm crazy about my mama  
That that would shut the world off space instead of others

Crazy crazy mama she drive me insane  
Crazy crazy mama mount the rain  
Crazy crazy mama she drive me insane
