

Crazy Crazy Mama

Roky Erickson

Crazy crazy mama she drive me insane
Crazy crazy mama mount the rain
Crazy crazy mama she drive me insane

I'm crazy about my mama I'm in love with you
Crazy crazy mama don't know what to do
Crazy crazy mama let me be your crazy daddy too

Crazy crazy mama I'm crazy about my mama
Cannot see any other I'm crazy about my mama
That that would shut the world off space instead of others

Crazy crazy mama she drive me insane
Crazy crazy mama mount the rain
Crazy crazy mama she drive me insane
