Roky Erickson

After the devil tempted Christ
The devil went back to hell
The devil found to believers
His evil is of no avail
As Christ shows evil can't faze him
The birds sing
Isn't this a lovely way
To accompany the King

For Christ did not, does not and will not slay any person
As somewhere it was falsely written
And also, Jesus is not a hallucinogenic mushroom
Don't wait for Christ to arise
He has already arisen
