

Loving Isn't A Part Time Thing

Roky Erickson

Always is solved
Needed this is all
Not piercing the night or rattling any walls
Allowing safely living within living temple walls

Loving isn't a part time thing
It's something to be
It's being, this I bring
Loving isn't a part time thing

Certain persons wouldn't have refused the king
He wouldn't have had to leave a thing
He wouldn't have had to pay that fee
Certain persons didn't know "living is for free."

Loving isn't a part time thing
It's something to be
It's being, this I bring
Loving isn't a part time thing

The land where there is no hostility to release
Where everyone lives in peace
Where loving isn't a part time thing

Loving isn't a part time thing
It's something to be
It's being, this I bring
Loving isn't a part time thing

There is no time for hating
Let it be no waiting
This a sane bell does ring
Loving isn't a part time thing

Loving isn't a part time thing
It's something to be
It's being, this I bring
Loving isn't a part time thing
