

Pushing And Pulling

Roky Erickson

Pushing and pulling
Giving and taking
Sending and receiving
God's love and God's love making
Only good, no negativity
No bad, only positivity

Pushing reality
Pulling reality
Push only love eternally
If you pull love, good
And if you pull bad
Only positivities way, of it be free
Pulling only love eternally

To you to me
From God from he
For you for me
With God and he
With you

For good, for good
With good, with good
And the like
Every dimension
Pushing and pulling positive creation

Giving peace, receiving peace, knowing, knowing to you
Doing, doing to you, thinking, thinking to you
Being, being to you, loving, loving to you
Being allowed to be, allowing to be
Being free, being free to you
Allowing to be free
Being allowed to be free

You be to he
I'll be to he
You sense he
I'll sense he
You push to he
I'll push to he
You pull from he
I'll pull from he
