

Stand For The Fire Demon

Roky Erickson

Stand for the fire demon
Rising into and with the clouds
Stand for the fire demon
Satan's is his crowd
Stand for the fire demon
Stand and feel it loud

Stand for the fire demon
Past 12 'tis one and one
Stand for the fire demon
Past 12 'tis not one
Stand for the fire demon
Burning fiery bright
Stand for the fire demon
Stand for the demon of fire

Stand for the fire demon
Satan's are we, Satan's am I
Stand for the fire demon
Spirits say boo and the paper bursts into fire
Stand for the fire demon
Wilder wilder wilder wilder
Stand for the fire demon
Stand for the demon of fire
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the fire demon
Stand for the demon of fire
