

The Interpreter

Roky Erickson

The interpreter
Where is he now
Will he burn like the devil
Will he leave Moscow

The interpreter
Does he still steal
Will he fill up your shoe
Like no other cannot do

The Interpreter
Out of the land of the free
Will he hand you his car
Will he hand you his keys

The Interpreter
Where is he now
Will he wordless shine like the devil
Will he leave Moscow

The Interpreter
United Nations
Realizations of minds
Peace I mind

The Interpreter
Where is he now
The war is over
When it hasn't even begun

The interpreter
Where is he now
Would he burn like the devil
Would he leave Moscow

The Interpreter
Where is he now
Invisibly transparent in the sky

The Interpreter
Where is he now
Will he wordless shine like the devil
Will he leave Moscow
