

Think Of As One

Roky Erickson

Your living is my music
Your deeds are your song
My needs are that music
My needs are that song
Think of, think of as are
Think of as ours, think of as all

Don't drive yourself past living
Your living is your giving

One is one
Another is another
Your father is your father
Your mother is your mother
Your sister is your sister
Your brother is your brother
One is one
Another is another

Think of, think of as are
Think of as are, think of as all

You are you
She is she
He is he
I am me
Be you
We are all equal
Be you
We are all equal

Think of, think of as are
Think of as are, think of as all
Think of, think of as are
Think of as are, think of as all
