

# Day By Day By Day By Day By Day

Roland Orzabal

Cut out the crap, you know you want to relate  
Day by day by day by day by day  
Don't want to eat your problems like a piece of cake  
Day by day by day by day by day

Out of the frying pan, in to the fire  
I've got a plan that can make your day  
Out of the dungeons and down to the wire  
You've gotta learn how to make love pay

Don't need no friend to tell you how to fuck your head  
Day by day by day by day by day  
Taking account of nothing leaves you in the red  
Day by day by day by day by day

Breaking your bones is a sign at the times  
You got a soul that has been force fed  
Climbing up walls to the end of the line  
These are the tracks that are in your head

Day by day by day by day by day  
Day by day by day by day by day

Out of the frying pan, in to the fire  
I've got a plan that can make your day  
Out of the dungeons and down to the wire  
You've got to learn how to make love pay

Day by day by day by day by day  
Day by day by day by day by day
