

## Green Light

Roll Deep

Put your hands up, take it to the floor  
You already give me the green light baby,  
Put your glass up, pour a little more, you already give me the  
green light

I was lookin for the green light, cuz when I take me home yeah  
she might, nights so young and im gonna be keep goin till the p  
arty's done, you know I love women, but which ones gonna contro  
l me? cuz I wanna be your one and only,  
You know I love women, but which ones gonna control me, cuz I w  
anna be your one and only,

Stop! take a look, left and right,  
Is it clear for me too go?, let me know, is it me that you've b  
een waitin for

That time when I saw ya I thought, wow, so, check out the skirt  
on that, now straight to the park tequila, lemon salt,  
I give her the all clear, letting her know the green light, let  
ting her go, dropped her from a mile away,  
Thought to myself, why not give it a go..?

Stop!, take a look, left and right,  
Is it clear for me too go?, let me know, is it me that you've b  
een waiting for..

Put your hands up, take it too the floor,  
You already give me the green light baby,  
Put your glass up, pour a little more, you already give me the  
green light

Stop stop, don't try a little,  
Stop stop, don't try only a little,  
Stop stop don't try only a little,  
Don't wanna see where now, flash a green light tonight,

I see a couple words, I like the face she ain't wearing a ring,  
and she ain't looking like him with a prefect match, what a go  
od catch, its ten out of ten I've gotta keep that she's so far  
gone, the green lights on it ain't gonna turn back, its a rap

Stop, take a look, left and right,  
Is it clear for me too go?, let me know, is it me that you've b  
een waiting for..

Put your hands up, take it too the floor,  
You already give me the green light baby,  
Put your glass up, pour a little more, you already give me the  
green light (give me the green light)

Put your hands up, take it too the floor,  
You already give me the green light baby,

Put your glass up, pour a little more, you already give me the  
green light  
Stop stop, don't try a little,  
Stop stop, don't try only a little,  
Stop stop don't try only a little,  
Don't wanna see where now, flash a green light tonight
