

Killing It

Roll Deep

Killing it
They say .. killing it
We are back in the scene killing it
You know what I mean killing it
They say .. killing it
We are back in the scene killing it
You know what I mean killing it

We expect no one up for a little while
So we might smack you up for a little while
But we are looking for the big money ...
No little ...big man no little child
So ancestor rhyming cause .. throwing like the wolf from ...
Got the windows small for those who come flow ...
I could be the best just that so we I get approve I buy bang bang bang
If you are no deep .. you would know .. some say ...

They say .. killing it
We are back in the scene killing it
You know what I mean killing it
They say .. killing it
We are back in the scene killing it
You know what I mean killing it

.. when I drive come swim when I dive
.. I make that live live live
Murder that's how I am killing like .. way high in the sky
.. Sunday or Fridays night .. Mondays .. stay on

They say .. killing it

We are back in the scene killing it
You know what I mean killing it
They say .. killing it
We are back in the scene killing it
You know what I mean killing it
I would never pretend that i did it ..
We don't lick the style .. we did it
I wanna hear the did it
.. I am ready when you are ready
You know what we are .. I could never get enough
.. say you are killing it ...
They say .. killing it
We are back in the scene killing it
You know what I mean killing it
They say .. killing it
We are back in the scene killing it
You know what I mean killing it

3 doubles 4 more .. I am gonna wake up
This ain't no dream I am living it
.. some one bring in the nurse
.. bring in the flowers bring in the ..
Wherever I go they say .. killing it
They say .. killing it
We are back in the scene killing it
You know what I mean killing it

They say .. killing it
We are back in the scene killing it
You know what I mean killing it
