

What Do They Know

Roll Deep

Some say I got my eyes, where my hands can't reach
It's 'cause I'm dreaming bigger, better!
But what do they know?
Got a million ways that I can eat,
Because I do it, bigger, better!
So what do they know?

Some people think that I'm mad, and I might be,
'Cause I think I can have what I want.
But that ain't gonna stop me trying,
'Cause I know why. I can go all the way to the top.
Some say that I'm dumb, and think that I'm wrong,
For thinking outside of the box.
But there's so many things, that I can achieve,
I won't let them put me off!
I can't hear the doubters, from where I am.
I is but one inside I am,
So let the haters, hate.
Because that's okay, don't stop me right in my plans
I knew where I was gonna go before I got here.
And they're just mad 'cause they're not here.
So let them say, what they gonna keep saying
I don't give a shit, I don't care!|

Some say I got my eyes, where my hands can't reach
It's 'cause I'm dreaming bigger, better!
But what do they know?
Got a million ways that I can eat,
Because I do it, bigger, better!
So what do they know?

On another level, we aim higher.
Everybody's fly, but my team's flyer.
We set the pace, live it for the fans
Won't let anybody gain that bans.
Live on the mic,
Go a little harder, every time I touch Britain
That's another saga.
And had two Number 1's this year, so far
So if I hit chicken boom, say you're farmer!

They same my eye weighs bigger than my belly,
'Cause I, want the pig, but they offered me the pie.
Pie, now we're sitting in the sky
Reach for the stars and I brought a little light,
Down. Yes I came home with the prize.
Didn't think much I just opened my eyes.
(Why?) See it's just a sign at the time,
Me, and it got to, and it got to my eyes.

Some say I got my eyes, where my hands can't reach
It's 'cause I'm dreaming bigger, better!
But what do they know?
Got a million ways that I can eat,
Because I do it, bigger, better!
So what do they know?

I don't really care what they got to say,
I'll be doing the right thing by your way.
Don't you wanna be on the way with me?
Well come play my way, my way, this bloke.
I don't really care, really I don't mind,
They stay, keeping up the more I shine.
Wishing that they could do it.
Like they see me do it!

Some say I got my eyes, where my hands can't reach
It's 'cause I'm dreaming bigger, better!
But what do they know?
Got a million ways that I can eat,
Because I do it, bigger, better!
So what do they know?
Some say I got my eyes, where my hands can't reach
It's 'cause I'm dreaming bigger, better!
But what do they know?
Got a million ways that I can eat,
Because I do it, bigger, better!
So what do they know?
