

# Hard

Rollins Band

It's hard to get high  
And it's hard to get through  
And it hard to hear me, but I'm talkin' to you  
And you see these hard eyes you know what I mean

And these eyes got hard  
Now I can't see  
I mean hard, man so good to find  
I'm not hard, man, the iron mind

Go! Oh yeah!  
I got hard, and I stayed hard  
You can't keep me down because I'm hard  
I keep movin' because I'm hard

I keep burnin' because I am hard  
Oh yeah!  
I'm goin' over not gettin' back  
Hard sense makes a point

Oh yeah! Hey!  
No one stops the rock around this ranch, boy, yeah!  
Real pain is what I reach for  
The real thing is what I came for

I am - because I'm hard  
I will - because I am hard
