

# Saying Goodbye Again

Rollins Band

Here it is, on the news  
Someone I know is now someone I knew  
I can't believe it happened again

Another mound, another one down  
Hounded by a lie into the ground  
Madness just has got no place to go

So sick of saying goodbye again  
So sick of saying goodbye again  
So sick of saying goodbye again

Rebel in the dirt, what was it worth?  
I'm left with grief and so much hurt  
So much lost, and so much pain  
So much sorrow and so much strain  
So much anger and so much rage  
No the sadness never fades  
You're gone, I'm left to move on

Seems like I'm saying goodbye again  
Seems like I'm saying goodbye again  
Seems like I'm saying goodbye again  
Seems like I'm saying goodbye!

So young, too late; so sad, goodbye..  
So young, too late; so sad, goodbye..  
So young, too late; so sad, goodbye..  
So young, too late; so sad, goodbye..

Just last week I saw you hanging out  
Who would have known you had two days to live?  
I left town and heard that you did too  
The difference is I can come back, I can come back!!

So sick of saying goodbye again  
So sick of saying goodbye again  
So sick of saying goodbye again  
So sick of saying goodbye!

So young, too late; so sad, goodbye..  
So young, too late; so sad, goodbye..  
So young, too late; so sad, goodbye..  
Goodbye..  
Goodbye..  
Goodbye....
