

Real Love

Rome

Real love, real love has come over me
I found someone to love, to hold
Real love, real love has come over me
I found someone to hold, to loe

I never thought, I would find someone
Who would give me joy beyond compel
You've changed my life completely
Made me feel brand new
Ohh what a feeling to hold someone

Real love, real love has come over me
I found someone to love, to hold
Real love, real love has come over me
I found someone to hold, to loe

Real love, you've given to me
You've opened up my eyes, and now I truly see
I'll shout it out for the world to hear, what you've done for m
e
Ohh what a feeling to love someone yeeeah

Real love, real love has come over me
I found someone to love, to hold
Real love, real love has come over me
I found someone to hold, to loe

You came along and touched me
Made me whole again
You've given sweet love to my real love

You know baby
No one else have ever made me feel the way you do
I hope that you'll always stay in my heart, my thoughts, my sou
