

Seasons

Rome

These days lovers change like the seasons
Come and go, hot to cold for no reason
I don't want to be stuck here while our summer starts to fade
Baby cause it's bad for me
You know that you're bad for me
Let's go!
I don't care, I don't mind
Cause I know another birdie will fly by
So I sit back and I get high
And pour me some Jack to clear my mind
Is it that bad, I don't feel bad
Cause I found a hotter bitch that makes her own cash
And when she goes and you know
I'll find another chica who can top that
Don't blame me when it changes for no reason
Don't blame me when we have to start again.
Let s go!

These days lovers change like the seasons
Come and go, hot to cold for no reason
I don't wanna be stuck here while our summer starts to fade
Baby cause it's bad for me
You know that you're bad for me.

Cause in my mind it was July but she's so cold,
She's so cold like December
All you are to me is just an x on my calendar baby
All you are to me another x on my calendar baby.
These days lovers change like the seasons
Come and go, hot to cold for no reason
I don't wanna be stuck here while our summer starts to fade
Baby cause it's bad for me
You know that you're bad for me
Lovers change like the seasons.
These days lovers change like the seasons
Come and go, hot to cold for no reason
I don t wanna be stuck here while our summer starts to fade
Baby cause it's bad for me
You know that you're bad for me.
Lovers change like the seasons.
These days lovers change like the seasons.
Come and go, hot to cold for no reason
I don't wanna be stuck here while our summer starts to fade
Baby cause it's bad for me
You know that you're bad for me.
