cock's already grown!

AS - SHE - LICKS - MY ONLY BALL!

Maybe I'm a baby but my mommy hate it that my scrotum yet  
contains no balls.  
She's pushing on my belly while the room is getting smelly my  
Fuckin' balls is what she calls!

AS - SHE - LICKS - MY ONLY BALL!

Finally, she's rewarded,  
So, I spontaneously farted  
My scrotum now contains a ball  
And mommy starts lickin' it all!

Babyscrotum meets her tongue, ridin' mommies face  
She's licking me like a dog & - full - of - grace!  
When I look up I see my family watching  
They are next in line for one ball touching!
