

## Coughin' Coffin

Rompeprop

People weep, because of me  
6 feet deep, dead as I can be

Fortunately I don't need a light  
I am dead so I'm completely blind  
Fortunately I can't smell my breath  
No working nose & lungs, no stench of death  
The only thing I wanna do  
Is having an eternal break or two  
Unfortunately for me no luck  
My coffin is coughin', what the fuuuuck !!!

Coughin' coffin- I can't sleep  
Coughin' coffin- 6 feet deep  
Coughin' coffin- almost burst  
Coughin' coffin- coughin' dust!

Eyeballs rotting in my sockets  
Surchin' now through my pockets  
Sometimes it's sneezing too  
I'm looking for an Anta Flu  
I wish that someone fucking told  
My coffin suffers from a cold  
'f I still lived I might 've been laughin'  
in my fuckin' coughin' coffin !!!
