

## Scottish Handcuffs

Rompeprop

Brooklyn, New York, hanging out at Duff's  
Everywhere we go we wear Scottish Handcuffs  
In Switzerland in Bern one pissed a Bed  
We even got a pic in Kiev with Shrek

We meet new friends in a lot of crazy places  
Double fisted having fun, and end up with shitfaces  
Are you Guns 'n Roses? Do you need a light?  
Leave Madam Satan, Those guys wanna fight

Stripclubs and a nudybar  
Building a pit in the back of your car  
Almost arrested with a police colt  
Not playing Rio with 60 Volt

With you're head through the ceiling  
Snuff Jdgermeister for the feeling  
Missing Flights, there were Russian women, so fuck it!  
Sleeping in the Projects with cash in my pocket

Junks shitting in trashcans  
People got beheaded  
Flippin our van in a Mexican desert  
Monkeys in jeans on the "Red Square"

Feeding Vegetarians a fucking lot of meat  
Playing everywhere we can with our Groovy Gore Beat  
Be double fisted or wear your Scottish chain  
Be drunk and ginding and I'm sure we'll meet again!
