My Quiet Place

Lord I love To worship You O Lord I love To worship You You have given me so much To be thankful for And I love You is not enough To express my love Everything I have inside of me Lord I give to You There is nothing I can do There is nothing I can do But worship You

O Lord I love To worship You Yes Lord I love To worship You You have given me so much To be thankful for And my words are not enough To express my love So everything I have inside of me Lord I give to You And there is nothing more to do Lord there is nothing more to do There is nothing more to do But worship You
