I don't wanna hold you if you wanna go
And I'm not gonna make you feel love if you don't
I would rather learn what it feels like to burn than feel nothi
ng at all

Oh, I used to treat you sweetly I would pull you to my chest as you cried about the ocean slipping quickly through your hands You were searching for one grain of sand along an endless beach As I was building you a castle that you just refused to see

What do I say? What do I do? To show all the ways my heart is slowly shattering for you What do I say? What do I do?

I don't wanna hold you if you wanna go
And I'm not gonna make you feel love if you don't
I would rather learn what it feels like to burn than to feel no
thing at all

You have faded my reality like leaves that turn to dust Fell asleep inside a fantasy and woke up feeling lost Now I'm terrified and restless but I just cannot escape I wish you had words to cool this fever that is killing me

What do I say? What do I do? To show you all the ways my heart is slowly shattering for you What do I say? What do I do?

I don't wanna hold you if you wanna go and I'm not gonna make y ou feel love if you

Don't.

I would rather learn what it feels like to burn than to feel no thing at all

I don't wanna hold you if you wanna go and I'm not gonna make y ou feel love if you

Don't

I would rather learn what it feels like to burn than to feel no thing at all

Oooh woah woah woah woah Oooh woah woah woah woah Oooh woah woah woah woah

I don't wanna hold you if you wanna go
And I'm not gonna make you feel love if you don't
I would rather learn what it feels like to burn than feel nothi
ng at all
