

## Get In Line

Ron Sexsmith

Heavy clouds all hanging around  
And the sun refuses to shine  
If you're bent on bringing me back down  
Better get in line

Something I said has got you so mad  
You wanna give me a piece of your mind  
If you intend on making me feel bad  
You best get in line

It's a long line  
It's a long line  
It's going out the door  
You'll be waiting in line  
A very long time  
'Til your feet are sore

Whatever I'm doing I'm doing it wrong  
And if you feel the need to remind me  
Of a world that's long gone  
Take a number and wait in line

It's a long line  
It's a long line  
It's going 'round the bend  
You'll be waiting a long time  
It's a very long line  
I can't see the end

Heavy clouds all hanging around  
And the sun refuses to shine  
If you're bent on bringing me back down  
Better get in line

Never meant for your flowers to wilt  
Or to sour all your sweet wine  
If you mean to shower me with guilt  
Better get in line  
If you're crying over milk that spilt  
Well take a number and wait in line

You better get in line
