

# Happiness

Ron Sexsmith

Happiness so hard to come by  
So good while it lasts, some people  
Say that it ain't worth pursuin'  
'Cos it's always moving too fast

Still I wonder, what could it be  
And I wonder, what does it mean  
Cos' I'm oh, so in love with you  
If this ain't happiness baby, it'll do  
Let us call it happiness, yes

Happiness so hard to deal with  
When there is sadness in your eyes  
As you come through the door  
It may leap out of the darkness  
It's always yelling, 'Surprise'

So I wonder, what could it be  
And I wonder, why me  
'Cos I'm oh, so in love with you  
If this ain't happiness baby, it'll do  
Let us call it happiness, yes

Oh, there's no denying, it's one of those things  
That money can't buy but still we try  
May we all mop up and our cup runneth over  
May we all have more than enough of

Happiness, yes, happiness  
'Cos I'm oh, so in love with you  
If this ain't happiness baby, it'll do  
Let us call it happiness, yes

'Cos I'm oh, so in love with you  
If this ain't happiness baby, it'll do  
Let us call it happiness, yes  
Happiness, yes, happiness
