

Speaking With The Angel

Ron Sexsmith

He don't know how to lie or undermine you
He don't know how to steal
How to deal or deceive
So leave him alone
Set him free
Cause he's speaking with the angel
Speaking with the angel that only he can see
You'd say he's so helpless
But what about you?
You don't pull the string
Don't you know anything?
Leave him alone, let him be
Cause he's speaking with the angel
Speaking with the angel that only he can see

Would you teach him 'bout heaven?
Would you show him how to love the earth?
Would you poison him with prejudice
From the moment of his birth?

He in the name of love
He in the blood of lamb
He that never lays blame
He don't even know his name
So leave him alone
Set him free
Cause he's speaking with the angel
Speaking with the angel (the very one)
That spoke to you and me
Oh do you remember?
