

Thoughts And Prayers

Ron Sexsmith

I will keep you in my thoughts, my darling
Thoughts and prayers
I will take you in my heart, my darling
Everywhere
In my dreams I've been searching for that door
Of which I'm certain leads to yours
That forevermore you'll keep me in your thoughts and prayers

From the privileged to the poor, my darling
Thoughts and prayers
For the children of the war, my darling
Everywhere
To the mind that the light of peace may dawn
'Til the blessed morning comes
Shining like the sun I'll send you all my thoughts and prayers

To the sky beyond the sky, my darling
Thoughts and prayers
Through the struggle and the strife, my darling
Everywhere
As we tend to this garden of our soul
That someday we might be whole
'Til I make it home I'll send you all my thoughts and prayers
Keep you in my thoughts and prayers.
