## **Both Sides Now**

## **Ronan Keating**

Rows and floes of angel hair And ice cream castles in the air And feather canyons everywhere I've looked at clouds that way

But now they only block the sun
They rain and snow on everyone
So many things I would have done
But clouds got in my way
I've looked at clouds from both sides now
From up and down, and still somehow
Its cloud illusions I recall
I really don't know clouds at all

Moons and junes and ferris wheels The dizzy dancing way you feel As every fairy tale comes real I've looked at love that way

But now its just another show You leave em laughing when you go And if you care, don't let them know Don't give yourself away

I've looked at love from both sides now From give and take, and still somehow Its loves illusions I recall I really don't know love at all

Tears and fears and feeling proud
To say I love you right out loud
Dreams and schemes and circus crowds
I've looked at life that way

But now old friends are acting strange They shake their heads, they say I've changed Well somethings lost, but somethings gained In living every day

I've looked at life from both sides now From win and lose and still somehow Its lifes illusions I recall I really don't know life at all I really don't know life at all
