

# Brighter Days

Ronan Keating

I've done a lot of living in my life  
Chased my share of rainbows in the sky  
Before I stopped to ask the question why  
I've fallen out of love too many times  
But now, I see, the possibilities  
Of how my life could be at all

>From any other love I'd walk away  
Love is temporary. I would say  
Now each night I find a reason to stay  
With you there's always brighter days

I've broken a heart, a part in two  
I've let the curtain fall I guess it's true  
The thought of something borrowed something blue  
Was something that I never could pursue  
But now you're here  
My doubt has disappeared  
The clouds are gone, it's clear

Chorus

Even on the coldest nights (brighter day)  
Even when the sun won't shine  
It's sweeter in the morning time  
Just knowing that you're there (that you there!)

From any other love I'd walk away  
Love is temporary. I would say  
Now each night I find a reason to stay  
With you there's always brighter days

From any other love I'd walk away  
Love is temporary. I would say  
Now each night I find a reason to stay  
With you there's always brighter days
