

# Caledonia

Ronan Keating

I don't know if you can see  
the changes that have come over me  
and these past few days I've been afraid  
that I might drift away  
I've been telling old stories, singing songs  
that make me think about where I come from  
and that's the reason why I seem  
so far away today

So, let me tell you that I love you  
that I think about you all the time  
Caledonia you're calling me  
now I'm going home  
And if I shall become a stranger  
No, it would make me more than sad  
Caledonia's been everything I've ever had

Well I have moved  
and I've kept on moving  
Proved the points  
that I needed proving  
I've lost the friends  
that I needed losing  
found others on the way  
And I've have kissed the fellas  
and left them sighing  
stolen dreams yes there's no denying  
I've traveled hard  
sometimes conscience flying  
somewhere with the wind

So, let me tell you that love you  
that think about you all the time  
Caledonia you're calling me  
now I'm going home  
And if I shall become a stranger  
No, it would make me more than sad  
Caledonia's been everything I've ever had

Now I'm sitting here  
before the fire  
the empty room  
a forest choir  
the flames have cooled  
don't get any higher  
they've withered now  
they're gone  
And I'm steady thinking  
my way is clear  
and I know what  
I will do tomorrow  
the hands have shaken  
the kisses flowed  
and I will disappear

So, let me tell you that I love you  
that I think about you all the time

Caledonia you're calling me  
now I'm going home  
and if I shall become a stranger  
no it would make me more than sad  
Caledonia's been everything I've ever had
