Father and Son

Ronan Keating

It's not time to make a change, Just relax, take it easy. You're still young, that's your fault, There's so much you have to know. Find a girl, settle down, If you want you can marry. Look at me, I am old, but I'm happy.

I was once like you are now, And I know that it's not easy, To be calm when you've found Something going on. But take your time, think a lot, Why, think of everything you've got. For you will still be here tomorrow, But your dreams may not.

How can I try to explain, When I do he turns away again. It's always been the same, same old story. From the moment I could talk I was ordered to listen. Now there's a way and I know That I have to go away. I know I have to go.

I was once like you are now, And I know that it's not easy, To be calm when you've found Something going on. But take your time, think a lot, Why, think of everything you've got. For you will still be here tomorrow, But your dreams may not.

All the times that I cried, Keeping all the things I knew inside, It's hard, but it's harder to ignore it. If they were right, I'd agree, But it's them They know not me. Now there's a way and I know That I have to go away. I know I have to go.
