## Father

Its not time to make a change,
Just relax, take it easy.
Youre still young, thats your fault,
Theres so much you have to know.
Find a girl, settle down,
If you want you can marry.
Look at me, I am old, but Im happy.

I was once like you are now, and I know that its not easy,

To be calm when youve found something going on.
But take your time, think a lot,
Why, think of everything youve got.
For you will still be here tomorrow, but your dreams may not.

## Son

How can I try to explain, when I do he turns away again.

Its always been the same, same old story. From the moment I could talk I was ordered to listen. Now theres a way and I know that I have to go away. I know I have to go.
