

# Heal Me

Ronan Keating

Heal me  
Steal me  
Feel me  
Heal me  
When things  
Don't turn out right  
And it feels like you  
Lost the fight  
When things don't work  
Out quite the way  
Friend you can  
Look my way

Oh  
Let's start thinking  
With our hearts  
Then this world,  
Can make a new start  
Start

Why won't you  
Heal me  
Love won't you  
Steal me  
Into the night  
Feel me  
(I believe,  
I believe,  
I believe)  
Heal me

If there's been  
A change of plans  
Someone to let  
Go of your hand  
When things ain't  
Looking quite the way  
You've got a  
Place to stay

Oh  
Let's start thinking  
With our hearts  
Then this world,  
Can make a new start  
Start

Why won't you  
Heal me  
Love won't you  
Steal me  
Into the night  
Feel me  
(I believe,  
I believe,  
I believe)  
Heal me

And there ain't no reason  
For us to lose our  
Faith in this world  
If only us people on earth  
Can just change the  
Love will unfurl,  
Unfurl  
Funny innit

Why won't you  
Heal me  
Love won't you  
Steal me  
Into the night  
Feel me  
(I believe,  
I believe,  
I believe)  
Heal me

If they stole your rights  
And you're lost  
In the night  
When skies  
Don't look bright  
My friend  
Don't lose sight  
When you just  
Cannot fight no more  
That's when  
I need you  
That's when  
I really need you  
That's when  
I need you  
To call me
