

If I Don't Tell You Now

Ronan Keating

I kept it inside
For the longest time
And I can't keep keeping it
All this love that's
Inside of my heart
Maybe it's safer not
To say that I care
Maybe this road won't
Lead me anywhere

But if I don't tell you now
I may never get
The chance again
To tell you that
I need you, tell you
What I'm feeling
If I keep these feelings in
And if I don't
Say the words
How will you hear
What's inside my heart
How will you know then
If I don't tell you now

I'd do anything to
Be in your dreams
And I can't stand
Standing by
With this dream
That's inside my heart
Maybe I'm only gonna
Make a mistake
And there's a chance
Maybe my heart will break

But if I don't tell you now
I may never get
The chance again
To tell you that
I need you, tell you
What I'm feeling
If I keep these feelings in
And if I don't
Say the words
How will you hear
What's inside my heart
How will you know then
If I don't tell you now

How will you know
You're inside my soul
Oh it's driving me crazy
'Cause you don't see,
You're the world to me
I'm so afraid to see
The way that
I feel for you

But if I don't tell you now
I may never get
The chance again
To tell you that
I need you, tell you
What I'm feeling
If I keep these feelings in
And if I don't
Say the words
How will you hear
What's inside my heart
How will you know then
If I don't tell you now

Oh oh
If I don't tell you now
