

# If I Don't Tell You Now

Ronan Keating

I kept it inside  
For the longest time  
And I can't keep keeping it  
All this love that's  
Inside of my heart  
Maybe it's safer not  
To say that I care  
Maybe this road won't  
Lead me anywhere

But if I don't tell you now  
I may never get  
The chance again  
To tell you that  
I need you, tell you  
What I'm feeling  
If I keep these feelings in  
And if I don't  
Say the words  
How will you hear  
What's inside my heart  
How will you know then  
If I don't tell you now

I'd do anything to  
Be in your dreams  
And I can't stand  
Standing by  
With this dream  
That's inside my heart  
Maybe I'm only gonna  
Make a mistake  
And there's a chance  
Maybe my heart will break

But if I don't tell you now  
I may never get  
The chance again  
To tell you that  
I need you, tell you  
What I'm feeling  
If I keep these feelings in  
And if I don't  
Say the words  
How will you hear  
What's inside my heart  
How will you know then  
If I don't tell you now

How will you know  
You're inside my soul  
Oh it's driving me crazy  
'Cause you don't see,  
You're the world to me  
I'm so afraid to see  
The way that  
I feel for you

But if I don't tell you now  
I may never get  
The chance again  
To tell you that  
I need you, tell you  
What I'm feeling  
If I keep these feelings in  
And if I don't  
Say the words  
How will you hear  
What's inside my heart  
How will you know then  
If I don't tell you now

Oh oh  
If I don't tell you now
