

# If Tomorrow Never Comes

Ronan Keating

Sometimes late at night I lie awake and watch her sleeping  
She's lost in peaceful dreams  
So I turn out the light and lay there in the dark  
And a thought crosses my mind  
if I never wake in the morning  
Would she ever doubt  
The way I feel about her in my heart

If tomorrow never comes, would she know how much I love her  
Did I try in every way  
to show her everyday, that she's my only one  
If my time on earth were through  
She must face this world without me  
Is the love I gave her in the past, gonna be enough to last  
if tomorrow never comes

Cause I've lost love once in my life  
who never knew how much I loved her  
Now I live with with those regrets  
and that those feelings for her were never revealed  
So I made a promise to myself  
say each day how much she means to me  
and avoid that circumstance where there's no second chance  
to tell her how I feel

to tell that someone that you love  
just what you're thinking of  
if tomorrow never comes
