

In This Life

Ronan Keating

For all I've been blessed with in this life
There was an emptiness in me
I was imprisoned by the power of gold
With one honest touch you set me free

CHORUS:

Let the world stop turning
Let the sun stop burn
Let them tell me love's not worth going through
If it all falls apart
I will know deep in my heart
The only dream that mattered had come true
In this life, I was loved by you

For every mountain I have climbed
And every raging river crossed
You were the treasure that I longed to find
Without your love I would be lost

Repeat chorus
