

And I'd give up forever to touch you
Cuz I know that you feel me somehow
You're the closest to heaven
That I'll ever be
And I don't wanna go home right now
And all I can taste is this moment
And all I can breath is your life
And sooner or later its over
I just don't want to miss you tonight

I don't want the world to see me
Cuz I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And you can't fight the tears that ain't coming
Or the moment of truth in your lies
When everything seems like the movies
Yeah you bleed just to know your alive

I don't want the world to see me
Cuz I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am
