And I'd give up forever to touch you  
Cuz I know that you feel me somehow  
You're the closest to heaven  
That I'll ever be  
And I don't wanna go home right now  
And all I can taste is this moment  
And all I can breath is your life  
And sooner or later its over  
I just don't want to miss you tonight

I don't want the world to see me  
Cuz I don't think that they'd understand  
When everything's made to be broken  
I just want you to know who I am

And you can't fight the tears that ain't coming  
Or the moment of truth in your lies  
When everything seems like the movies  
Yeah you bleed just to know your alive

I don't want the world to see me  
Cuz I don't think that they'd understand  
When everything's made to be broken  
I just want you to know who I am
