And I'd give up forever to touch you Cuz I know that you feel me somehow You're the closest to heaven That I'll ever be And I don't wanna go home right now And all I can taste is this moment And all I can breath is your life And sooner or later its over I just don't want to miss you tonight

I don't want the world to see me Cuz I don't think that they'd understand When everything's made to be broken I just want you to know who I am

And you can't fight the tears that ain't coming Or the moment of truth in your lies When everything seems like the movies Yeah you bleed just to know your alive

I don't want the world to see me Cuz I don't think that they'd understand When everything's made to be broken I just want you to know who I am
