

## Stay

Ronan Keating

I've been sitting here staring at the clock on the wall  
And I've been laying here praying, praying he won't call  
It's just another call from home  
And you'll get it and be gone and I'll be crying

And I'll be begging you, baby, beg you not to leave  
But I'll be left here waiting  
With my Heart on my sleeve  
Oh, for the next time we'll be here  
Seems like a million years and I think I'm dying

What do I have to do to make you see  
He can't love you like me?

Why don't you stay, I'm down on my knees  
I'm so tired of being lonely  
Don't I give you what you need  
When he calls you to go  
There is one thing you should know  
We don't have to live this way  
Baby, why don't you stay

I can't take it any longer  
But my will is getting stronger  
And I think I know just what I have to do  
I can't waste another minute  
After all that I've put in it  
I've given you my best  
Why does she get the best of you  
So next time you find  
You wanna leave her bed for mine

Why don't you stay, I'm up of my knees  
I'm so tired of being lonely  
You cant give you what I need  
When he begs you not to go  
There is one thing you should know  
I don't have to live this way  
Baby, why don't you stay

Baby, why don't you stay
