Suspicious Minds

Ronan Keating

We're caught in a trap I can't walk out Because I love you too much baby

Why can't you see What you're doing to me When you don't believe a word I say?

We can't go on together With suspicious minds And we can't build our dreams On suspicious minds

So, if an old friend I know Drops by to say hello Would I still see suspicion in your eyes?

Here we go again Asking where I've been You can't see these tears are real I'm crying

We can't go on together With suspicious minds And be can't build our dreams On suspicious minds

Oh let our love survive Or dry the tears from your eyes Let's don't let a good thing die

When honey, you know I've never lied to you Mmm yeah, yeah

We caught in a trap I Can't walk out Because I love you too much baby

Why can't you see What you're doing to me When you don't believe a word I say?

We can't go on together With suspicious minds And we can't build our dreams On suspicious minds

We caught in a trap I Can't walk out Because I love you too much baby

Because I love you too much baby Because I love you too much baby
