

# The Best of Me

Ronan Keating

Every time you cross my mind  
I catch my breath and sigh  
And every memory that we shared  
Still lives deep inside  
Just like a ship without an ocean  
Like a sun without a sky

You were the best of me  
I swear you were the best of me  
And since you have gone there's nothing left in me  
My love you were the best of me  
When I close my eyes I see you there

Every night you come to me  
Your touch so soft and sweet  
We leave this world so far behind  
But only in my dreams

Somebody stole the stars from my sky  
Oh won't you please return to me

You were the best of me  
I swear you were the best of me  
And since you have gone there's nothing left in me  
My love you were the best of me  
When I close my eyes I see you there  
As I see you there  
Will I see you again?  
Will I see you again?

Somebody stole the stars from my sky  
Oh won't you please return to me

You were the best of me  
I swear you were the best of me  
And since you have gone there's nothing left in me  
My love you were the best of me  
When I close my eyes I see you there  
See you there  
I see you there
