This I Promise You

Ronan Keating

My love Here I stand before you I'm yours now From this moment on Take my hand Only you can stop me shaking We'll share forever This I promise you

And when I look in your eyes All of my life is before me And I'm not running anymore Cause I already know I'm home With every beat of my heart I'll give you my love Completely My darling This I promise you

My love I can feel your heartbeat As we dance now Closer than before Don't let go Don't let go Cause I could almost cry now This is forever I make this vow to you

And when I look in your eyes All of my life is before me And I'm not running anymore Cause I already know I'm home With every beat of my heart I'll give you my love Completely My darling This I promise you My darling This I promise you This I promise you Oh I promise you This I promise you
