

# When You Say Nothing At All

Ronan Keating

When you say nothing at all  
It's amazing how you can speak right to my heart  
Without saying a word you can light up the dark  
Try as I may I can never explain  
What I hear when you don't say a thing

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all

All day long I can hear people talking out loud  
But when you hold me near you drown out the crowd  
Try as they may they can never define

What's being said between your heart and mine

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all

You say it best when you say nothing at all  
You say it best when you say nothing at all

You say it best when you say nothing at all  
The smile on your face The truth in your eyes  
You say it best when you say nothing at all  
The touch of your hand let's me know that you need me  
You say it best when you say nothing at all
