

# Not Alone This Christmas ft. Luciel Johns

Ronan Parke

The snow is falling through the sky  
The night's all dark, the moon is high  
Christmas cheer fills the air  
Sleigh bells ringing everywhere  
Children playing in the snow, people hanging mistletoe  
Presents put under the tree,  
A gift for you, a gift for me

It's Christmas just once a year  
The magic spirit brings us so much cheer  
It's for you, not just for me  
You're not alone this Christmas  
You're not alone  
You're not alone  
You're not alone  
You're not alone this Christmas

Ambers falling from the fire  
People smile a little higher  
Snowballs flying through the air  
Santa's face everywhere  
Chestnuts roasting on an open flame  
Christmas cards, all the same  
Presents put under the tree,  
A gift for you, a gift for me

It's Christmas just once a year  
The magic spirit brings us so much cheer  
It's for you, not just for me  
You're not alone this Christmas  
You're not alone  
You're not alone  
You're not alone this Christmas

You got a gift, well I got three  
I got two too much more than I need  
I got family and that's all I want  
A lot of fun and games all night long  
Not everyone is as lucky as me  
So share a thought for the ones in need  
Spread the love, share the fun  
Christmas is for everyone

It's Christmas just once a year  
The magic spirit brings us so much cheer  
It's for you, not just for me  
You're not alone this Christmas  
It's Christmas just once a year  
The magic spirit brings us so much cheer  
It's for you, not just for me  
You're not alone this Christmas  
It's Christmas just once a year  
The magic spirit brings us so much cheer  
It's for you, not just for me  
You're not alone this Christmas  
You're not alone  
You're not alone

You're not alone this Christmas
